This park and wildlife sanctuary is regarded as one of the country's premier attractions, and the only zoo in Australia committed to saving lives with a spider and snake venom-milking program in place. **Australiana Pioneer Village**

**4**

Tues 12

Today starts with a trip down memory lane to the Australiana Pioneer Village at Wilberforce. Step back in time, over 130 years before mobile phone and a time many say was simply, simpler and stress free. Enjoy morning tea and lunch in the village. The village shearer and spinner is always great for a yarn. Visit the Commercial Hotel used in the filming of 'Wild Boys' on Channel 7. This is a truly Aussie day out with great fun provided by the volunteers. With the closure of Old Sydney Town many years ago, it's great to see this magnificent icon still stands strong today. Returning to the Coast for bar and dinner.

**Singleton & Historic Morpeth**

**6**

Thur 14

A trip to Singleton today in the Hunter valley, to visit the Australian Army Infantry Museum. The museum's collection ranges from Australia's pre-federation state colonial armies and their first deployments overseas in the 19th century through to today's 21st century Diggers. The museum serves as a mirror to the corps. A great museum. We then head into Morpeth for lunch and a tour of this historic town. A visit to Morpeth is a journey through narrow laneways and heritage buildings, where we will discover unique shopping, artisan treasures and delightful treats. Back to Forresters for our farewell dinner.
