Return to Forrester's Beach Resort and enjoy a lovely homemade dinner.

### DAY 3 TUESDAY

### BLACKBUTT RESERVE

Blackbutt Reserve has a long history of exhibiting captive wildlife. The first enclosures were built in the 1960s. Experience a close encounter with Australia's most renowned animal, the koala. Learn interesting facts about their behaviour, physiology and habitats. We continue our journey towards Toronto alongside Lake Macquarie. Four times the size of Sydney Harbour. The area's industry consists of coal mines, fishing, boating and of course tourism. After lunch we enjoy another scenic drive towards the Northern region of the Central Coast towards the Entrance foreshore. Tonight join us for a pre dinner drink at the bar before dinner in our restaurant. Why not try your hand at snooker or table tennis after dinner in our games room.
